My hobbies & interests: same old - same old - same as five years ago when I last filled out this form. Is that a retirement rut, or what?

My favorite high school memories: Friday night football, down the shore, Sports Nights, notes in science lab drawers, canteens. Don't remember much about classes or kind.

What I've been doing since 1960: I just had mold removed from 8 Pennsbury Court. Can you remove (m)old from 68 year old Pennsbury grads? Would it were possible - but we'll be young again for a week end.
