

It is time to start planning for our upcoming 50th class reunion!

Goal - to find as many classmates as possible and help move things forward so that the PHS class of 1960 has its best reunion ever!

We all need to be involved to make this work. At our 45th class reunion, many of you filled out a form providing your email address, phone numbers, and mailing addresses.

The following volunteered (in no particular order) to help:

The feed back we have received from class reunion alumni have been some of the following:

- 1) Make it a weekend function.

- Not everybody wants to go to a dinner and dance.
 - Plus it is a long way to travel for a one-evening function.
 - o Example:
 - § Friday night get together with a no host bar
 - § Saturday - Some people may want to have a golf outing or just meet for lunch
 - § Saturday evening - dinner and dance
 - § Sunday - Brunch
 - § Try to keep the functions at the same hotel
- 2) Try to make it so that the cost of the function does not keep people away.
- 3) Consider holding the event in September for a better choice of hotels at a better price.

• **Didn't specify a category**

Michael Tarity	Barbara Sieg	Fred Brown
Bob Shedd	Susan Piersol Shone	Patricia Lane Martin
Dona Kuhn	Robert Brown	David Botwinick
Malliene Adlen		

• **IF you don't see your name on the lists above, don't worry. Additional help is always appreciated!**

To help launch us forward, my wife (Barbara) and I have added a Pennsbury access to our business website. Just go to www.ramseyteam.com and press the Pennsbury icon in the lower right hand of the page. That will take you to the accumulated information that we currently have for the Class of 1960 **for more contact information for classmates.**

We can only do it with your help! It can be an address, a phone number or an email.

- Please update your information to info@ramseyteam.com
- Send us any information you have on fellow classmates
- Help us find fellow classmates

Using the internet and cell phones should be the fastest and most efficient way of pulling everything together. Most cell phone plans have free calling on evenings and weekend.

Living in Alaska with a 4-hour time zone difference, Barbara and I feel a bit out of the geography loop. However, we can host the website and keep the information updated.

Updates are as simple as emailing the new information or corrections. It will also be easy to have the reunion plans on-line and updated as information changes.

SO..GO FALCONS!!!!
